To All UA Canada Managers,

RE: Hot Jobs in U.A. Local 488 Jurisdiction

Effective immediately all Non-Signatory jobs in our jurisdiction will be classified as 'Hot' until further notice.

Please inform your membership that if any members are identified as working for these Non-Signatory Contractors, U.A. Local 488 will be charging all members as per the U.A. Constitution and U.A. Local 488's Working Rules and Bylaws.

This year there are thirty-six C.B. Agreements expiring with CLAC. Local 488 asks for your assistance in keeping all U.A. members off these jobs. CLAC has started to negotiate renewal agreements with reductions in wages and fringe benefits. If they cannot man these jobs it makes it difficult for them to bargain collectively, which in turn will improve the U.A. Bargaining Position.

Thank you for your co-operation in this very important matter.

Respectfully Submitted,

Robert Taylor
Business Manager
Financial Secretary
