Notice: Saskatchewan Non-Signatory / Hot Contractors

Attention: Canadian UA Local Business Managers, Business Agents and Organizers

Re: Canadian UA Members working in Saskatchewan

Please assist UA Local 179 to inform your membership via General Meetings and Local Newsletters that when coming to work in Saskatchewan we ask all UA Members contact Local 179 when they arrive. If we do not have calls available there may be other work opportunities that would assist our organizing efforts.

All the following are considered Saskatchewan hot contractors working in direct competition with our organization. UA Members working for these non-signatory contractors in Saskatchewan may be charged under the UA Constitution.

- Carson Energy Services Ltd.
- Carson Welding & Maintenance Ltd.
- Flint Energy Services Ltd.
- Ledcore Group of Companies
- North American Construction Group
- PCL Monad Industrial Constructors Inc. (Agrium Vault Project)

Fraternally,

Troy Knipple
Business Manager / Financial Secretary
UA Local 179
